Different scales of maturity bonus apply to policies depending on when they commenced

No maturity bonuses apply to policies that commenced before April 1986

The same cash commutation factors apply regardless of when a policy commenced

**This sheet refers solely to the Classic Conventional With-Profits Personal Pension Policy**

On retirement, the pension payable comprises the basic pension per annum increased by the relevant proportionate reversionary bonuses, maturity bonuses and terminal bonuses as appropriate. Some or all of this pension amount can be commuted to a cash fund using the relevant cash commutation factor.
