Returns are based on offer to offer performance and do not represent the returns achieved by individual policies linked to the funds.

** Annualised performance figures show the equivalent annual performance for the stated time period, allowing for the effects of compounding.

Please note that pricing of funds may vary depending on the version of the fund which you hold. Changes in rates of exchange may cause the value of the investment to fluctuate.

Past performance should not be taken as a guide to the future and you should remember that the price of units may go down as well as up and is not guaranteed.

Any investment decision regarding the suitability of the funds should be taken in consultation between an investor and their intermediary, the intermediary having considered the investors individual circumstances and attitude to risk.

Scottish Provident Ireland cannot provide guarantees in relation to fund performance.

The research and analysis contained in this circular has been procured and may have been acted on by Scottish Provident Ireland for its own purposes. **The results are being made available to investors for information only and you should seek independent advice before making any investment decisions.**
